Report on the Final Examination for the Master's Degree

This report must be submitted to the Graduate School whether the examination has been passed or failed. It is a required document for the audit of records for a Master's degree conferral. The original should be submitted to the Graduate School and a copy is to be retained by your major advisor. It must be submitted no later than the appropriate August, December, or May conferral date. If this report is submitted after the appropriate deadline, your degree will not be conferred until the following conferral date.
